SUMMARY

Product Manager | Growth Strategy | Digital Transformation | Strategic Partnerships

Product Manager with 8+ years of experience building growth channels, strategic partnerships, digital products, and business transformation initiatives across Banking and Financial Services. Experienced in owning business problems end-to-end—from strategy and business case creation to product development, stakeholder alignment, UAT, rollout, adoption, and performance optimization.

At AU Small Finance Bank, I built and scaled Strategic Alliances, Connector, and Insurance channels while leading multiple product and technology transformation initiatives. Key achievements include scaling a partner ecosystem from 1,500 to 26,000+ active partners, increasing channel penetration from 32% to 69%, improving insurance conversion from 62% to 83%, delivering 17% profitability growth through partnerships, and leading channel and technology integration during the Fincare–AU merger.

Open to Product Management, Growth, Strategy, Founder's Office, Business Transformation, and Partnerships roles.

PROFESSIONAL EXPERIENCE

AU SMALL FINANCE BANK

Bengaluru, India

Product Manager – Growth, Partnerships & Transformation

03/2022 to 04/2025

Managed a team of 4 across MIS, Connector, Insurance, and Strategic Alliances functions.

Owned Connector, Insurance, Strategic Alliances, Product Transformation, and Merger Integration initiatives across Affordable Housing Loans (AHL) and Loan Against Property (LAP) businesses.

Managed a team spanning MIS, Operations, and Channel Functions while driving cross-functional execution across Product, Technology, Risk, Compliance, Legal, Finance, Marketing, and Business teams.

Strategic Alliances | Built a New Acquisition Channel

- ▶ Built the Strategic Alliances channel from scratch, establishing a new acquisition and revenue stream for the organization.
- ▶ Identified, negotiated, onboarded, and managed national partners including lead-generation platforms and ecosystem players.
- ▶ Owned partner lifecycle management including sourcing, onboarding, commercial negotiations, activation, governance, growth planning, and retention.
- ▶ Worked closely with Product, Technology, Compliance, Operations, Legal, and Finance teams to build scalable operating frameworks and onboarding journeys.
- ▶ Led API discussions, operational readiness, reporting structures, and partner performance optimization initiatives.
- ▶ Generated **50,000+ qualified leads** while delivering approximately **17% profitability growth**.
- ▶ Established Strategic Alliances as a permanent acquisition channel for the business.

Connector Channel Transformation

- ▶ Took over a fragmented connector ecosystem with low activation, poor retention, payout delays, limited governance, and lack of digital processes.
- ▶ Redesigned acquisition, activation, retention, referral, and engagement programs to improve channel productivity and

scalability.

- ▶ Built partnerships with corporate connector groups, broker networks, communities, and referral ecosystems.
- ▶ Introduced Connector App, digital onboarding, automated MIS, geography mapping, incentive automation, and performance dashboards.
- ▶ Streamlined partner onboarding and validation processes, reducing operational inefficiencies and improving lead quality.
- ▶ Scaled active partner ecosystem from approximately **1,500 to 26,000+ connectors**.
- ▶ Increased channel penetration from **32% to 69%**, significantly increasing business contribution and profitability.
- ▶ Successfully replicated the transformation framework across multiple lending products including AHL, LAP, LAG, and Microfinance.

Insurance Channel Transformation

Led transformation of insurance partnerships with ICICI Lombard and Kotak by redesigning customer journeys and operational workflows.

- ▶ Identified key drop-off drivers including manual documentation, process inefficiencies, long turnaround times, and high rework volumes.
- ▶ Digitized insurance documentation, validation, approval workflows, and reporting frameworks.
- ▶ Collaborated with Product, Technology, Operations, and Insurance Partners to streamline servicing and issue resolution.
- ▶ Designed conversion improvement initiatives and customer recovery campaigns for previously dropped cases.
- ▶ Increased insurance conversion from **62% to 83%**.
- ▶ Reduced TAT from **65 days to 21 days**.
- ▶ Reduced rework from **40%+ to 7%**.

Product & Digital Transformation

Led end-to-end digitization of lending journeys across AHL and LAP businesses.

- ▶ Identified operational inefficiencies caused by disconnected CRM ecosystems, duplicate processing, fragmented workflows, and lack of visibility.
- ▶ Gathered requirements, authored BRDs, conducted stakeholder workshops, and managed UAT planning and rollout.
- ▶ Implemented workflow automation across lead management, customer communication, credit review, insurance integration, and reporting.
- ▶ Established ownership mapping across channels, geographies, branches, and relationship managers to improve accountability and reporting accuracy.
- ▶ Reduced exception-case processing timelines from **90+ days to 15–20 days**.
- ▶ Improved operational efficiency, customer experience, and data visibility across the lending lifecycle.
- ▶ Led **21+ product, technology, and process enhancement initiatives** across multiple business functions.

Fincare–AU Merger Integration

- ▶ Spearheaded migration and integration activities across Connector, Insurance, Strategic Alliances, lending workflows, and reporting systems during the Fincare–AU merger.
- ▶ Managed CRM transitions, channel migration, process integration, stakeholder communication, testing, training, and stabilization activities.
- ▶ Coordinated with Technology, Operations, Compliance, Finance, Legal, Marketing, and Business teams to ensure seamless transition.
- ▶ Preserved business continuity while integrating customer journeys, partner ecosystems, and operating processes.
- ▶ Supported post-merger adoption and stabilization across impacted business functions.
